2019 RMEL Foundation Golf Tournament

The 2019 Golf Tournament benefits the RMEL Foundation scholarship program. The RMEL Foundation provides scholarships to deserving and qualified university/college students focused on engineering or curriculum related to the electric energy industry with the intent of encouraging students to pursue a career in the electric energy industry. The Foundation also provides scholarships to those pursuing an electric industry position certificate or associate degree at a college (community college, two-year college or a four-year university).

The RMEL Foundation was incorporated in 1999 and is a 501(c)3 organization.
